Introducing the Windsor Range

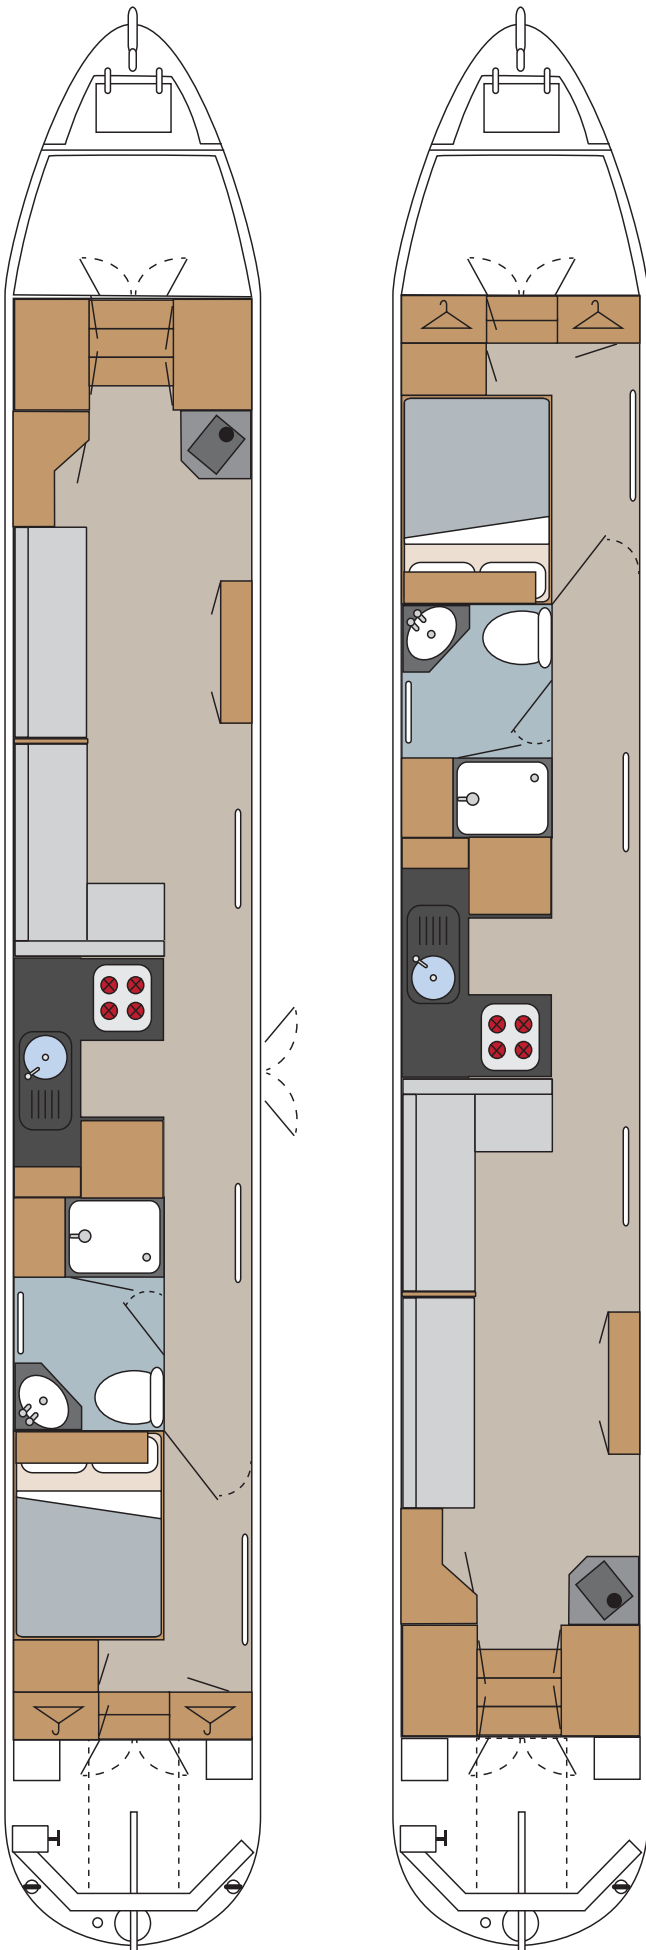

Built by our team of fully time served craftsmen in the Czech Republic, the "Windsor 58" is the ultimate head turner. From the semi-Josher bow and beautiful paint scheme on the exterior to the gorgeous all wood fit out and Techstone work surfaces on the interior, these boats are built to stand the test of time.

Available in both "front bedroom" and "rear bedroom" layouts, the level of fittings and creature comforts mean that this boat is stylish and comfortable all year round, irrespective of whether the boat is used for living aboard, extended cruising or just for weekends and holidays.

Cruiser, Semi-Traditional or Traditional sterns are available, along with a range of options that allow you to fully personalise your boat.

Sample Layout Plans
